### MISSION

To provide high-quality preschool education with a focus on developmental, age-appropriate learning in a nurturing, family-oriented environment.

### PHILOSOPHY, VALUES & GOLDEN RULES

Operating within the theory of play-based learning, Mrs. O's Preschool helps 3, 4, and 5 year-olds make sense of the world around them as they are encouraged to develop social and cognitive skills, mature emotionally, and gain the self-confidence required for new experiences and environments.

Built around the Core Values of Determination, Courage, Respect, Confidence, Playfulness, and Community, our vision is to model and communicate these values while understanding each child's individual needs.

With decades of early elementary teaching experience, our philosophy focuses on active involvement, meaningful experimentation, and reinforcement through repetition. Our passion for nurturing children shapes Mrs. O's Golden Rules and are directed by our values and inspire our balance of academics, play, and structured activities.

Accidents do happen so we are asking parents to keep a Ziploc bag of extra clothes in your child's backpack. Please include socks, underwear, pants, and a shirt. Birthdays will be celebrated during class time. You may send in an approved snack to celebrate your child's birthday. The approved snack list is as follows: individually packaged Oreos, individually packaged Chips Ahoy, individually packaged ice cream cups, and individually packaged Rice Krispie treats. Certain classes may have additional allergies; if so, your child's teacher will contact the class regarding safe birthday snacks.

If your child has a food allergy, please provide us with a list of approved snacks that your child can eat. Depending on the severity of the allergy, we may ask that you provide a home-snack for your child.

Each child will be served a snack during the day provided by the preschool. Our classrooms will be NUT FREE.

Children will have access to their water bottles throughout the school day.

## LATE PICKUP POLICY

\*We understand unforeseen emergencies happen, however, if your child is picked up from school late, a fee will be charged to your Procare Connect account.

If your account is not brought up to date by the 1st of the next month your child will be withdrawn from the program. \*Should you decide to enroll your child in our 3 year-old-program before he/she turns 2 years and 9 months old, tuition must be paid in order to hold your child's spot.\*

## HEALTH POLICIES AND PROCEDURES

Should your child acquire head lice, we will call you to pick up your child. Your child must be free from lice before returning to school. This is a very common and contagious condition.

The Department of Child Care Licensing requires that each child have a full physical every two years, and that those records be kept on file at Mrs. O's Preschool. Immunizations need to be current according to state law and the medical form signed by a physician. In order for your child to begin school at Mrs. O's Preschool, he/she needs a list of all completed vaccinations signed by a physician. **Waivers will NOT be accepted.**

**\*The Covid-19 Vaccine is NOT mandatory.**

Each staff member has received medical clearance from a primary care physician. Medical clearance forms are kept on site. All lead staff members are trained in first aid, CPR, AED, and dealing with blood borne pathogens.

Mrs. O's Preschool does not administer medication unless it is necessary in an emergency.

## SAFETY AND WEATHER RELATED POLICIES

Mrs. O's Preschool will follow the Portage Public Schools closing recommendations. You can sign up for text/email alerts through [wwwmt.com](http://wwwmt.com). You will know we are closed if Portage Public Schools has canceled school for the day (Mrs. O's Preschool will not be listed). If in the event that weather conditions and/or road conditions worsen during the course of the day, and the decision is made to close the school, you will be notified as soon as possible via email/Procare.

### Emergency Weather Procedures:

\*We will practice each drill twice between the months of September and April.

**Tornado-** In the event of a tornado warning, students will be escorted by their teacher to the child bathrooms located in the classroom. These bathrooms do not contain any windows. Each teacher will conduct a head count and have a cell phone on hand.

**Fire-** In the event of a fire, students will exit through the nearest emergency exit. Each classroom contains an outside door with a walkway. Students will be escorted to the neighboring parking lot (Raymond James). There are two additional doors located on either end of the building.

### Other Serious Accidents/Injuries and Other Emergencies

**Man-Made Disaster including a person wishing to do harm to the school -** Your child's safety is our number one priority. We will make decisions based on keeping your child in the safest possible environment. It is possible that we may exit the building and relocate. If this does happen, a teacher will remain with your child at all times and we will contact you as soon as possible to give you information on your child's well-being and new location.

*Child Injury*- Despite our best efforts to keep your child safe, sometimes accidents happen. We are trained to assist your child for minor injuries (scratches, cuts, small falls). However, if the injury is more severe (bumps on the head, large falls, possible broken bones), we will contact you immediately through phone and call 911 if necessary. In the event we cannot reach you, we will contact the provided Emergency Contacts. Please keep this up to date!

*Power Outage* - In the event of a power outage, all families will be contacted to pick up their children and the facility will close for the remainder of the day.

## **BEHAVIORAL EXPECTATIONS**

At Mrs. O's Preschool, we follow, model, and expose each preschooler to our six core values: respect, courage, determination, confidence, playfulness, and community. All discipline actions will be positive in nature. The method of discipline will vary with the age and action of the child. Individual teachers are given discretion in how to handle each situation as it arises. As a matter of policy, the following is a general framework for discipline.

- Separate the child from the behavior
- Redirect the child's behavior
- Provide acceptable choices
- Use positive language
- Look for a deeper problem

Our priority is your child's safety. If we feel a child is struggling with following the classroom directions and is putting themselves or others in a dangerous situation, he/she will be moved to the "Take A Break Station".

If the behaviors continue, a meeting will be scheduled between the parents and teachers. Parents will be asked to withdraw their child if the behaviors are not improved.

In addition, if the teachers are unable to meet the social, emotional, and behavioral needs of your child, he/she may be withdrawn from the program.

## **LICENSING NOTEBOOK**

The center does not keep a licensing notebook, but the internet is available onsite. Reports from at least the last three years are available at [www.michigan.gov/michildcare](http://www.michigan.gov/michildcare).
